WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

INTRODUCTION

**WELCOME TO THE HOOD:
A HARD PLACE TO LIVE, BUT AN EASY PLACE TO DIE...**

You are 50 Cent, the hardest street hustler in NY, who gets an urgent page from an old cellmate, K-Dog. However, 50 walks into an ambush where he is shot 9 times and left for dead. Back on his feet and seeking revenge, 50 gets caught in a web of corruption, double-crosses and shady deals which leads him on a bloody path through New York's crime underworld. Working with allies such as Lloyd Banks, Young Buck and Tony Yayo, the streets heat up as 50 takes on the most dangerous crime families in the city, uncovering an international conspiracy with devastating implications.

“What’s mine’s is mine’s.

What’s yours is mine’s.

I run these streets.”

Quit

Quit the game and return to the Start Menu.

Arcade Mode

Select Arcade mode via the G Unit Mobile. (Note: Requires Player Profile to be created and must complete at least one sub-mission within story mode.) A throwback to classic old-school gaming when it was all about high scores and fastest times—clip up and face off against your friends for bragging rights. GAME SCREEN

Health

This shows the current amount of health you have. Various health items (Painkiller Pills, vitaminwater™ and First Aid) can be purchased from Doc Friday at the Vet Clinic in 50's Hood.

Armor

Indicates the current level of armor protection you have. Armor can be purchased from Grizz's Van in 50's hood, found throughout missions or even stolen off dead bodies—provided you didn't damage the armor when killing the wearer. There are three different grades of armor:

Armor Grade I:	Normal
Armor Grade II:	+25% Bonus Protection
Armor Grade III:	+50% Bonus Protection

The Armor bar increases in size when equipped with higher-level armor.

Stamina

Indicates 50's current stamina level. Performing heavy-duty physical action, such as Counter-Kills, decreases stamina, while the rush of gunplay increases it. When 50's stamina is at its peak, firing accuracy is improved as is the ability to perform a Perfect Shot.

G Unit Mobile Call

This icon will appear if 50's G Unit Mobile receives a text message or incoming call.

Primary Weapon

Displays an iconic picture of the player's currently-held weapon or weapons.

Ammo / Clips

Displays your ammo and clip count for the weapon you are currently carrying.

Cash

Current amount of cash or value of stolen items in 50's possession.

Aiming Reticule

Marks the area at which 50 will shoot. The reticule contracts over 50's target for improved accuracy.

G Unit Window

This shows the current G Unit member who is performing an action and includes a progress bar and his current status.

G UNIT CREW

Lloyd Banks—The Locksmith

“Lloyd Banks, he’s a legend. The only thing he can’t break into is his own stash. Tight with his money, but loose with other people’s.” –50 Cent

Young Buck—Weapons Specialist

“G Unit South’s Young Buck. This gangsta got crazy weapon skills. If it’s got a caliber, he’s used it.” –50 Cent

Tony Yayo—Demolitions Expert

“My man Yayo, he’s had my back since day one. The best explosives man on the streets.” –50 Cent

HELPFUL ITEMS AND PICKUPS

- Armor** Can be purchased from Grizz’s Van in 50’s hood or occasionally found in missions. On rare occasions can be stolen off bodies.
- Painkiller Pills** Pills that give a health boost over time. Can be purchased from Doc Friday at the Vet Clinic in 50’s hood.
- vitaminwater™** When bought from Doc Friday at the Vet Clinic in 50’s hood, this power drink will extend 50’s health level by 10%.
- First Aid** Complete body repair and 100% health gain. This is also purchased at Doc Friday’s Vet Clinic in 50’s hood.

BODY JACKING/STEALING

You can beat valuables out of your hostage when interrogating them in Body Shield mode. You can also steal items such as cash, jewels and credit cards from your fallen victim’s bodies. When standing near a dead body PRESS and HOLD the  button to run his pockets.

COUNTER-KILLS

When you have enough stamina, Counter-Kill an enemy when they’re close by pressing the  button. Time will slow down as 50 disarms and executes them. Additional Counter-Kills can be learned from Popcorn at the Theater in 50’s hood. While counter-killing an enemy, the player can also rotate the camera by moving the right analog stick. Pressing the  button will resume normal game speed. Special close-quarter Counter Kill moves are automatically selected when the action is performed within confined or tight spaces. Give 50 more room when attempting these moves and experience all the cool Counter Kills you’ve purchased.

HOSTAGES/BODY SHIELDS

Grab an enemy when close by pressing the  button. From there you can throw him by pressing the  button or interrogate him for information by pressing the  button. Or simply execute him by pressing the  button before his health meter is depleted.

MOBILE COVER

Grab anything with wheels to use as mobile cover by standing near the object and pressing the  button. While in mobile cover, mode your Power Meter will appear. PRESS and HOLD the  button to charge your Power Meter. RELEASE the  button to shove the object. Try cornering an enemy and then crushing him!

PERFECT SHOT

Focus the reticule on the enemy target’s head. When the reticule fully contracts and blinks, fire a shot by pressing the  button and watch spectacular headshots from the bullet’s perspective!

THE HOOD (HUB)

Between levels, the player will return to 50's hood. Once back in the hood, 50 can interact with various characters, including Detective McVicar (Eminem), Grizz (Dr. Dre) and many others who help 50 throughout the game. 50 can purchase weapons, ammo, armor and health.

50's CRIB

This is 50's sanctuary. Whether it's chillin' out watching videos on 50's plasma screen or getting strapped for action in 50's personal armory...it's all here.

PAWNSHOP

Bugs runs the Pawnshop. He gets all kinds of characters coming in, so be sure to see him often for valuable information.

THEATER

He may be a few cans shy of a six-pack, but Popcorn's the one to see if you wanna purchase and learn top secret counter-kill moves!

VET CLINIC

Not much of a hospital, but Doc Friday still can get you back on your feet with an assortment of health items. Just be sure to bring some cash for the visit.

BACK ALLEYS

Be sure to explore these areas in 50's hood. You'll meet some interesting characters that may provide more than just valuable information to help 50 on his way...

MOET and CHANDON

These hookers have a lot of love for 50 since he saved them from a pimp a while back. On a good night, they might have more than just information for 50.

BOOKER

He may be a bum, but being on the streets 24/7 means you know a lot of things happening around the hood. Make sure to keep yourself in the loop by talking to him often.

DJ WHOO KID

This bootlegger's got beats if you got what he needs. Be sure to come with plenty of cash since these beats are hot!

DETECTIVE MCVICAR

A shady cop who has a lot of valuable information...for a price.

GRIZZ

An old war vet who runs an armory out of his van. See him if you need a strap or some armor before you leave the hood.

SUBWAY

Since no one drives in New York and cabbies stay outta this hood, 50 gets around using the subways. Consider it your personal limo to and from all the action outside your hood. Access the subway map by entering the subway section of the hood. The subway map shows the areas 50 currently has access to. Replay previous missions or continue completing story elements to unlock new locations
